PETITION TO REVIVE

OFFICE OF PETITIONS

Sir:

Applicant hereby petitions for revival of the above-indicated application which was inadvertently abandoned as a result of being unable to get signed documents from the inventor's on this application.

There are four inventors in the above referenced patent application all were sent assignments and declarations. Only one executed assignment and declaration was returned. Despite numerous attempts to contact the remaining inventors for executed documents, nothing was received.

One of the inventors returned a declaration and assignment, one inventor joined a competing company to that of the assignee Road Runner, Inc., making the attaining of documents virtually impossible, although this firm tried on several occasions.

Pursuant to employee agreements, all four inventors had obligations to send executed documents related to this application and to assign them rights to assignee Road Runner, Inc. In fact as noted above one of the inventors Ms. Barbara Huff did execute the declaration and assignment documents. Mr. Gazillo was contacted but has refused to sign multiple mailings made to him. The remaining two inventors were not found after multiple delinquent efforts to locate them.
